

Attendance:

- No missing members

Topics of Discussion

- Changes to the Prototype
- Final Assignment (written 1 page Essay), posted by next monday
- Data flow diagram (December 13)

Meeting Discussion

- Exam next week
 - Individual, no time limit
- Data flow diagram
 - Each project is going to have a different diagram
 - Figma is the description of our website, and might be sufficient in place of the data flow diagram
 - [preferable] Can fluff a bit with code -> database -> perl -> user, and such
